

## SPECIFICATIONS

<b>POWER SUPPLY:</b>	110/220 VCA 60Hz Single/Two phase
<b>MOTOR:</b>	1 HP
<b>ELECTRICAL CONSUMPTION:</b>	1.1 kW/h
<b>WEIGHT:</b>	51 kg

## PRODUCTION CAPABILITY

STONES	KG/h
5"	60

### Main features:

- Pulley and belts are located on the outside for its easy replacement
- Low maintenance and long lasting
- Stone setting steering wheel
- Saves space

### Product features

- Excellent grinding
- High quality nixtamal
- Ideal for grinding chili and spices
- Produces peanut butter

## COMPONENTS:

- Nixtamalized corn tray
- Stones
- Ground nixtamal output tray
- Hopper with grinder
